Round 1 Ends (You are now prepared to crack 90% of Companies)

For Round 2 Start for Step 3 and finish every remaining questions.

Give Fixed time to each question:

Proposed time :

Give each question 40 minutes:

-> 20 minutes self try, (take a hint agar bilkul nhi ban rha at the 10 minute mark).

-> 10 minutes kahi se solution dekh k aao agar nhi ban rha abhi bhi.

-> 10 min code kro and 2nd Round k liye mark kr lo. 5 din baad ek baar revise kr lena 10 minute.

Agar aisa lag rha hai ki jo question 5 din pehle kiya tha bilkul yaad nhi aa rha toh wo normal hai. Agar question dekh k jara sa bhi yaad aa rha ki ye kiya tha toh this is enough.

Perfection k peeche mat bhagna L lag jaenge.

Dry Run krna seekho.

Dry Run is ek example leke paper pr algorithm ko follow krna.

Striver ki videos dekhoge toh dry run samjh jaoge.

Spoon feeding.

Kuch bhi doubt kisi se poochne se pehle ek baar google kro and youtube pr dhoondho. Par dekh k kabhi bhi code mat krna. Hamesha sirf Algorithm samjho.

Focus on becoming a good developer not on cracking companies. Ek baar skilled ban jaoge toh apne aap placement lag jayega
